45th Annual HIPOW Auction & Dinner
October 10th & 11th 2014

To Benefit The Catholic Schools of Fairbanks
Every year, we endeavour to make a difference in the hearts and minds of the students who attend the Catholic Schools of Fairbanks. This feat wouldn’t be possible without your support. Your purchases and donations directly support our students, from technology and textbooks to teacher salaries and extracurricular activities. Each donation, volunteer hour and guest makes a difference.

We are grateful for your support and hope you enjoy the auction.

Welcome! Thank you for coming tonight and for supporting the Catholic Schools of Fairbanks. It is a great honor to be co-chairs of this grand event and to share it with you. We share something else with you: our love for these schools and our commitment to their success. It is shared interest that motivates the numerous supporters and volunteers joining us for this year’s 45th HIPOW.

The Catholic Schools of Fairbanks’ mission is to teach students to dedicate themselves fully to their faith, to grow in intellect, to value discipline, respect and integrity, and to serve the communities in which they live. As you can see from this mission, a Catholic education not only provides strong academics, it has the added benefit of giving our students a strong moral framework that will benefit them for the rest of their lives, the lives of their children, and the lives of those with whom they come into contact.

HIPOW depends on hundreds of volunteers who put in thousands of hours to make this event happen. Just as important is your presence here tonight, your donation of auction items and your enthusiastic bidding. These all reflect the continued support that allows Immaculate Conception Grade School and Monroe Catholic High School to provide a quality education and moral development to our students.

Thank you for coming, for your devotion to this school, and for your generosity.
