The ICS program is suited to students from Pre-K through 6th grade. Each day, students eat nutritious snacks, receive homework assistance, make arts and crafts and get outdoor time.

The best part is that your student will be able to stay and play with his classmates instead of going to an alternative day care or babysitter.

The ICS program is designed to entertain and challenge your student. Whether it's physical activity or more creative activities, students have flexibility to do what they want in a warm, fun, loving environment they know already.

- 2:20** Check-in
- 2:30** Outside Recess
- 3:30** Snack
- 3:45** Homework (2nd Grade and up)
- 4:15** Free choice activities after homework is completed

## Meet The Director Kim Stokes

My name is Kim Stokes and I have been the director of the After School Program since August 2004. I found my calling to childcare 19 years ago and have enjoyed working with many age groups in several different states.

Working for the Catholic Schools of Fairbanks has definitely been the highlight of my career. The students, families and co-workers I am blessed to work with are the absolute best. In addition to my position at school, I am also the proud parent of two daughters, one alumna and one still attending Monroe Catholic High School.

My daughters, Jessica and Delainey, began at ICS in 2001 when they were in the 3rd and 1st grade. The great education and family environment of the Catholic Schools of Fairbanks influenced my husband, Jeff, to retire from the Army after 20 years of service so our daughters could remain at these schools. We are both thankful for the many blessings we have received being part of these schools.

## Registration and Enrollment Policies

### Affordable After School Care

We have the perfect solution for your after school care needs: The After School Program.

ICS has created its own After School Program which cares for your child daily from the time school gets out until 6:00 P.M. in the evening. Play time or study time, the ICS After School Program will look after your Pre-K through 6th grade student(s).

No more wondering how to get kids to day care. No more kids home alone after school. They can stay at school, be with their friends and be looked after by a concerned, caring and professional staff of after school care providers.

**Registration:** Enrollment forms are available at the front desk, online at [www.catholic-schools.org](http://www.catholic-schools.org) on the After School Program page or by contacting Kim Stokes, ASP director at 456-4574.

**Eligibility:** Children at Immaculate Conception Grade School (Pre-K through 6th Grade) may be registered for enrollment at anytime.

**Openings:** Openings are determined on the basis of the number of children permitted by the program's license. Priority is given to those parents whose children are currently enrolled in the program. When openings occur, parents of registered children are contacted for enrollment on a first-come basis according to the date of the registration receipt.
