Why Choose Alaska Basketball Academy?

The Alaska Basketball Academy Fundamental Camp has become the number one destination for the youth of Fairbanks to develop and work on their basketball skills. Last year 160 kids in the Fairbanks area participated in the ABA Fundamental Camp. All of our youth basketball camps are available to players of all levels. Whether your child is a beginner or has played for years, we are sure your child will be challenged and walk away from camp with a smile on their face, having learned something new.

Our fundamental camps are designed to ensure every child has a great time and learns the basics of the game necessary to be successful. Our camps are challenging to players of all abilities, be it a first-time player, or a child who has played their entire life. At the Alaska Basketball Academy, we have developed a unique style of teaching these skills that allows our campers to not only improve their game, but to have fun at the same time.
