Thank you!

Nothing says **"we have faith in you"** more than having alumni choose us to educate their children or for alumni to return to the school to teach and lead the school into the future!

Thanks to Will Simard '19, Christine (Butcher) Keill '08, Thea Puryear '17, Abe Siddall '01, Brittany Milton '09, Kerry Halvarson '82, and Molly Wood '03, for continuing the tradition of excellent instruction.

Thank you to the many alumni who serve on our Board, work with the Monroe Foundation, and coach throughout the year.

We have over 60 students that are 2nd and 3rd Generation CSF students, wow! What a gift, **thank you!** Don't worry, there's always room for more!

Alumni Association

We are exploring the idea of creating an alumni association. This group would help keep alumni connected and support our schools. You can participate both remotely at in person!

Welcome Frank Ostanik

Please join us in welcoming Frank Ostanik to his new position as Directory of Schools! Frank's passion for our school is evident, as is his mission to share what makes us unique. Thank you for stepping into this leadership position, Frank!
