

## Open Lunch Permission for Upperclassmen

We at Monroe Catholic High School have an open lunch policy for sophomores, juniors, and seniors who have permission from their parent/guardian to leave campus during the lunch period. This is considered a privilege which may be revoked by a parent, teacher, or an administrator, if the student is:

- Tardy after lunch, or
- Does not behave in a responsible manner while off campus, or
- If the student is required to stay on campus for a particular reason on any given day.

If you wish to grant permission for off-campus lunch to your student, please provide his/her name and sign below.
